

Goal 1: All students at Dar-Assalam School will become proficient in written and spoken English language.

Measurable Objective 1:

A 80% increase of All Students will demonstrate a proficiency written and spoken English language in English Language Arts by 05/04/2015 as measured by internal and external tests like MAP.

Strategy 1:

Sustained Silent Reading / Harcourt Skills Inetegration - Reading - Sustained Silent Reading is required of students for 20 minutes four days a week.

Skills integration based on the guidelines set by HMH English Reading series KG-6 which is a reading intervention program that is used to target non proficient students.

Staff group presentations on the above strategies with examples of successful integration in classrooms.

Activity - Activity - SSR	Activity Type	Begin Date	End Date	Resource Assigned	Source Of Funding	Staff Responsible
Students will read for 20 minutes four times a week any book of their choice.	Academic Support Program	02/16/2014	04/30/2015	\$0	Other	English language teachers

Goal 2: 75% of Elementary students will be able to score 80 and above in Mathematics by 05/24/2015 as measured by MAP testing.

Measurable Objective 1:

75% of All Students will demonstrate a proficiency in mathematics skills. in Mathematics by 05/24/2015 as measured by MAP test.

Strategy 1:

Math Inetrvention - Students will be given daily routines in math according to the scope and sequence of the new Common Core based series "Go Math" by HMH.

Target skills will be under focus on a weekly basis and continuous assessments will monitor students progress. Extra support will be given to the low achievers

Other strategies will be reviewed..

Staff will review math interventions and implement training in teaching struggling students	Academic Support Program	12/08/2013	04/30/2015	\$0	Other	Math Tecahers

Goal 3: All students at Dar-Assalam school will be able to effectively access online resources using their electronic tablets in and outside classrooms

Measurable Objective 1:

100% of All Students will demonstrate a behavior of using their tablets to access online resources related to their daily subject material. in English Language Arts by 05/21/2015 as measured by teacher and parent observation.

Strategy 1:

Tablet training - Students and teachers will be trained to effectively access the online resources provided by HMH "Think Central". Students will rely on their tablets to do homework, solve class exercises, access extra worksheets, and chapter evaluation. This will help students carry less books which is a continuous source of complain by the parents because of the overweight and the health problems associated with the school bag.
