Book Report

Dear parents,

Ultimately, we want our kids to love to learn. A passion for learning is quite different from just studying to earn a grade or to please parents or teachers. Those who develop a love of learning at an early age continue the process throughout their lives and are generally more successful, interesting, and happier than those who don't.

As a result, we are continuously encouraging our kids to enhance their reading skills throughout the academic year. Hence, each child is required to read one story of his/her choice during the mid-term vacation and then must complete the "Book Report".

Once the kids return back, they should submit these reports to their teachers in order to be evaluated and graded. The kids have to do a brief presentation about their stories in front of their peers.

Therefore, we kindly ask you to support your kids with this assignment, and send at least two stories with them to their classrooms (labeled with your child's name). The kids will then exchange stories during the rest of the term.

BOOK REPORT SUBMISSION DATE : MARCH 23, 2016

Thank you,

Administration
